*Treasured Rams Supporters:*

*We are building a special football program at Grayson High School. We are coming off a Region Championship and a Semifinal appearance, finishing 5th in the State of Georgia! We would like for you to be a special part of our football family and the success of our program. Our annual Golf Tournament is a simple, yet significant way for you to contribute to our program. This tournament is a major fundraiser that allows us to take kids to camps, purchase necessary equipment, outfit our players and provide for many other needs we have in the program. Success begins with you as a community leader and we are sincerely grateful for your support in our annual Grayson Football Tournament!*

*Sincerely,  
Mickey Conn*
